NO. 13

LUCILLE VIEAUX CHOSEN MAY QUEEN

## SALUTATORIAN, VALEDICTORIAN CHOSEN

The first place of scholarship in the 1940-41 Class was awarded to Joan Holmes on the basis of grades earned.

Martha Abel won second place by a good margin, though there were four girls in the Senior Class who ran a good race for the places of recognition.

Top man in the Class of '40-41 is Martin Burke

## SCHOLARSHIP LETTERS EARNED

Provided none of the students fall down in their work in the last six weeks' period, fourteen scholarship letters will be awarded this year. These honors will go to Lola Niss, Joan Holmes, Dorothy Young, Bonnie Galbreath, Reva Chesnut, Joyce Brissom, Joan Millard, Lucille Vieaux, Harry Hanscom, Martha Abel, Frances Davidson, Margaret Henry, Dale Hoskins and Fern Wyant.

These letters will be of two types. One will have a bar showing that the owner was on the honor roll each period. The other letter does not have a bar and means that the person hasn't been as consistent in his work, but the average is very good.

## MAY QUEEN TO LEAD PROCESSION

Since our school is not having any may day program this year, the high school and grade school will leave for Sams Valley this morning to enter into a day of play.

Lucille Vieaux was chosen by the students to lead the procession from here to Sams Valley. Her escort will be the Student Body president, Eddie Dahack. They will be driven in a car decorated in the school colors.

Queen Lucille I was honored at a breakfast given by the G.A.A. this morning at Miss Olson's home.

## EAGLE POINT WALLOPS PROSPECT

While Europe's Channel guns were bombarding Dover and Calais, the Eagle Point Eagles were having a bombardment of their own. Combining thirteen base hits, six walks, and five Prospect errors, along with some "heady" base running, the Eagles scored nineteen times. Although Prospect threatened twice, they failed to score.

Willard Welch led the hitting attack with a home run and a triple. Irv Haight garnered three hits while Stanley, Taylor, and Walker each cracked out two.

The Eagle's Quill is published every two weeks. The subscription rate is straight two cents an issue or twenty eight cents for the whole year if the paper is to be delivered here in town. The rate is three cents if the paper is mailed.

Our policy this year will be to print for our readers authentic new items on neighborhood events, to inform you concerning school activities, and to make official announcements from the teaching staff. We wish to please the public with these pages, and to boost the merchants of our fine town with these advertisements. We will be attuned to the public ear so we may also get a hearing from you--the public--when we have something to do or say.

## EDITORIALS

### "CRAMMING"

Cramming is like every thing else--it is all very well in its time and place; but who has time to cram in this day and age.

Those six weeks and semester

tests are going to pop up in about three weeks and you aren't going to have much time to study for them if you are lagging behind in your daily work.

Now is the time to catch up on your back work and stay caught up. Those book reports, over-due theses, and back tests will be lots harder to finish the last week of school when everyone else is enjoying the outdoors and saying good bye to their friends before the summer vacation begins.

### LAST ISSUE TO BE PUBLISHED MAY 16

The next and last issue of the Eagle's Quill will be dedicated to the seniors. Their pictures will appear in the paper.

The paper will be larger than usual and will carry announcements of the seniors' class day program, commencement, and baccalaureate services.

To all of you who aren't regular subscribers you should make an effort to get a copy of the last issue.

The staff would appreciate it if the businessmen who advertise in the paper would enter into the swing of it and have their ads feature the seniors.

### MOTHER'S DAY

Sunday, May 11 is Mother's Day, a day set apart every year--the second Sunday in May--in honor of motherhood.

The day was first suggested in 1907 by Miss Anna Jarvis of Philadelphia. In 1914 Congress authorized the President of the United States to set aside, by annual proclamation, the second Sunday in May as Mother's Day.

Remember your Mother that day by doing something for her especially or by wearing a red or a white carnation, a red one if she is living or a white one if she is not living.

## THE SENIORS SNEAK

Monday morning might not have meant very much to anyone else, but the Seniors were mighty glad to see the day begin. Why not? Hadn't they decided to have a vacation that day?

At 7:00 o'clock most of the seniors were at Miss Olsen's all ready to go. They hadn't decided for certain just where they would go as they didn't want the juniors to find out.

They started out for Union Creek, but unfortunately some of the juniors were up that early and saw them.

After they had reached Trail, they decided to turn around and go the other direction.

They spent the forenoon at McKee Bridge on Upper Applegate.

After a very nice lunch, which everyone enjoyed, they motored to the Grants Pass Park.

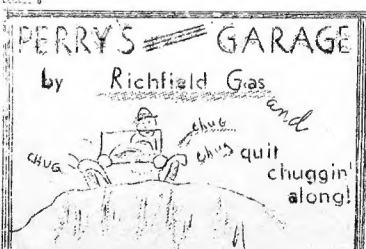

They spent the afternoon fishing, boat riding, and playing tennis and horseshoes.

In the evening after lunch they returned to Medford and took in a show and it was there that the juniors finally caught up with them.

On returning to Eagle Point, the seniors finished the evening by treating the juniors to a coke!

Everyone enjoyed themselves very much.

Ten rolls of films were taken during the day. Some of those pictures will be put in the annual.

## OPERETTA WAS SUCCESSFUL

The operetta, "In Grand Old Switzerland", was presented April 25th. The story centered around two unfriendly old men in Switzerland and the romance of their son and daughter. Mary Nussbaum was starred as Trudi, the daughter of Herr Bolliger, Sandy Clave. Eddie Dahack portrayed Herr Nopps and Dallas Reading, his son, Juli. Their friends from America were Mrs. Miller, Mary Karmish; her son John, Val Smith; and her daughter, Donna, Audrey Knighton. Hedwig and Fritz are played by Lucille Vieaux and Jim Short.

Trudi and Juli are sweethearts but their fathers hated each other and would not allow them to meet.

When Mrs. Miller and her son and daughter arrive in Switzerland from America and ask Trudi and Juli to go back home with them they agree. Mrs. Miller cleverly tells the old men this and helps them patch up their quarrel. They then forbid Trudi and Juli to go to America, and they tell them they have been enemies in the hope that Juli and Trudi will be sweethearts.

The operetta was very ably directed by Miss Olson and accompanied by Dorothy Young.

Those in the chorus were; Joan Millard, Joy Bushnell, Mildred Westcott, Betty Lindsay, Frances Davidson. Martha Abel, Bonnie Galbreath, Barbara Smith, Leilla McGraw, Willis Taylor, and Wayne Jackson.

## SEVENTH AND EIGHTH GRADE NEWS

The honor roll for the eighth grade is Joy Bushnell and Buddy Arens and for the seventh, Billy Young.

Mary Holman had a party last Saturday night at her home for a group of the seventh and eighth grade boys and girls. They had a very good time all around, leaving out the time when they had a skunk visitor in the yard.

## IT'S ROUND UP TIME IN EAGLE POINT

It's round up time again in Eagle Point! The P. T. A. is sponsoring a Well Baby and Pre-school Clinic to be held in the Primary Room in the gym on Tuesday, May 13th from 1:30 p.m. to 3:30 p.m. The Jackson County Health Department will offer free protection against Small Pox and Diphtheria. This is one of Eagle Point's best health projects. So keep it in mind and try to get all of the kiddies out especially those children who are to enter school in September. The purpose of the clinic is to have children enter school physically fit and then maintain high standards of health through out their school life.

If you want more information concerning the clinic see Mrs. Hickson. Remember good health has never meant more to the individual or to the welfare of the nation than now.

## SOPHOMORE NEWS

We showed the freshmen which is the better baseball team of the two Monday afternoon. Of course we already knew but they had to be shown. The score was 8-6 in our favor. The losing team bought each of us a lolly-pop.

Margaret Henry and Harry Hanson are getting along quite well on our sophomore page in the annual. They have written our class history and have taken our class pictures.

The sophomores were well represented by the operetta. Eight of the girls were in the chorus and one boy, Jim Short, who played the part of Fritz.

In our literature class we have been learning "The Seven Ages of Man" and "Sweet are the Uses of Adversity", from Shakespeare's As You Like It. Each of us said both of them orally in class last week.

## THIRD AND FOURTH GRADE NEWS

Last week the fourth grade gave a play about reforming a bad boy. Doris Hickson, Dale Ensminger, Wilbur Schultz, Arlene Hay and Dorothy Force were in it. Mr. Hay loaned us a coconut to look at.

Dale Ensminger We had pictures taken of our room. They turned out to be very good. Everyone is back in our room again.

Dorothy Force We are going to have a baseball game with the fifth and sixth grad on Thursday, May 1.

## EAGLE POINT WINS TWO GAMES

Playing "heads up" ball behind the stellar chucking of their ace portsider, Howard Parker, the Eagles evened up their series with Butte Falls last Friday, defeating the Loggers 4-1.

The "hitless wonders" apparently found their batting eyes and bombarded Zimmerlee, Butte Falls chucker, for a run in the fourth and three more in the fifth.

Walker led the batting attack with two well placed blows.

Parker was in ram form as he whiffed fifteen loggers and gave up three hits.

Friday, April 18, the Eagles defeated Prospect here, 5-2.

Although they obtained but five hits off Lemmerman, the pinch end turned them into runs.

Parker was even more stingy than his rival chucker. He gave up two bingles, and they were both slice singles into right field.

## JUNIOR NEWS

The suspense was simply killing. In fact it was just awful waiting and wondering when those "sophisticated" seniors were going to skip off from the daring Juniors. Of all days for them to pull off and leave, Monday! What to do? Really there wasn't much left to do except to set off to look for them. Now don't get the idea we wanted to follow or find those seniors because we really didn't. We had quite a time getting started for Mr. Bushnell was ill. We were short on car and were financially embarrassed. Finally about noon we found another car and got Mr. Dickson to go along as chaperone. We scared up a few more pennies and were off. After once getting started we drove up to Prospect, Union Creek and on up to Diamond Lake and had intended on going on around to Crater Lake but found there was too much snow on the highway. After having some snow ball fights, doing some fishing, and caring and still no seniors, we finally decided they had gone the opposite direction, so we were Medford bound! As soon as we arrived in Medford we got something to eat and then decided to go to the show. Who should we find there but the seniors, so it looked as though it was up to them to treat the Juniors. Having found them rather late and after they had eaten we weren't going to get treated until they finally consented to treating us to cokes. And so ended skip day and beware sophomores for next year we'll really give you a merry chase.
